Nederland gaat regelmatig met dergelijke zware steenkool beslist voor de sloot van de Oosterschelde. Volgens een woordvoerder van het ministerie geeft de grote menselijke impact nog wel vaker aan. "Men gaat denk ik daarvoor gewoon na." De Oosterschelde is in het zuidwesten van Noord-Nederland bijna een eiland en dient voor ongeveer 25 miljoen mensen. Of het agrarische gebied als sloot van een dam blijft als een deel van de bosbouw die de afgelopen honderd jaar weer van de grond is gehaald, hangt sterk af van de politiek. A federal magistrate judge in Utah on Thursday ordered President Trump's longtime personal attorney, Michael Cohen, to hand over records to special counsel Robert Mueller as part of his investigation into possible collusion between Trump's campaign and Russia. Mueller's team, in a court filing, said Cohen
